

**Advisory Council on Pain
And Symptom Management**

Missouri Pain Initiative

**Changing the Face of Pain in Missouri
Statewide Strategic Planning Summit – 2nd Meeting
Wednesday, October 4, 2006
At the offices of Primaris, Columbia, Missouri**

AC = Advisory Council

MOPI = Missouri Pain Initiative

10:30 a.m. Welcome & review day's agenda - Ann Corley, MOPI Executive Director and Meeting Facilitator

10:35 a.m. Updates and Reports

- Missouri Pain data (Source: Behavior Risk Factor Surveillance Survey) – *Tricia Schlechte, MPH, BSN – AC Chair*
- 2006 Pain Score Card (Source: Pain & Policies Study Group: University of Wisconsin) - *Raymond Tait, PhD. AC Member & MOPI Board of Director*
- 2006 Missouri End-of-Life Coalition Policy Summit – *Lori Ladd, MSN, APN, RN, AC Member & MOPI Board of Director*
- Pain Awareness Month Activity Report, Pain Advocacy Day & American Pain Foundation's State Pain Advocacy Network Project – *Ann Corley*

11:00 a.m.– 3:30 p.m. Develop the Plan – Develop a 2-year strategic plan, complete with outcomes, strategies, action steps (which include timelines, task lists, areas of responsibility, and resource/budget needs) that focuses on the three identified target areas and maximizes our mutual interests and priorities.

We will break around noon for a 45 - minute newtorking box lunch

- **General Public Education** – Taking pain-related public education activities beyond Pain Awareness Month
- **Provider Practice Improvement** – Strategies and activities that will help us bridge the gap between the existing global knowledge base regarding effective pain assessment, treatment, and current practice in Missouri.
- **Public Policy/Systems Change** – Proactive strategies and activities that will enable us to shape and be responsive to emerging legislative and non-legislative pain policy.

Before we adjourn we will establish a meeting schedule for 2007
